RATES
See Night-Shift Differential Rate Chart

CRITERIA	
•	An employee working the evening shift during the entire pay period would receive the shift differential per month including holidays.
•	An employee working the night shift during the entire pay period would receive the shift differential per month including holidays.
•	An employee working a fractional month or less than a full shift would receive a shift differential payment at the hourly rate for the entire shift worked.
•	An employee whose shift qualifies for both the evening and night shifts would receive a shift differential at the higher rate.
•	Employees working regularly scheduled assigned night shifts in classes for which a night-shift differential has been authorized by the Department of Personnel Administration may receive the appropriate night-shift differential during periods of paid leave. The night-shift differential during periods of paid leave shall only be paid for that shift or shifts the employee would have been expected to work were he/she not on paid leave.
